Fishing

A National Park Fishing Permit is required to fish in Kejimikujik. Parks Canada fishing regulations differ from Provincial Regulations. Please read the "Fish Management and Protection" brochure, available at the Visitor Centre or visit parks.canada.ca/keji.

Safety – A Shared Responsibility

Did you know? Provincial Motor Vehicle legislation is applicable and enforced in Kejimikujik.

- It is unsafe and illegal to ride in the back of trucks.
- Speeding and failure to stop at the entrance kiosk poses a safety hazard and is against the law.
